VINEYARD AND TENANTS

The only reason why the vineyard is covered with so much care is the hope that it would then be able to yield much fruit at harvest

time: it has the choicest vines on a very well prepared soil, watchtowers are even built to protect it from any danger and the best of tenants are put in charge.

The master discovers later that he is dealing with a very deceiving vineyard, despite all the care, only wild grapes are available; even worse, tenants are so selfish that they try to confiscate the vineyard and become the masters by killing the heir, the master's son.

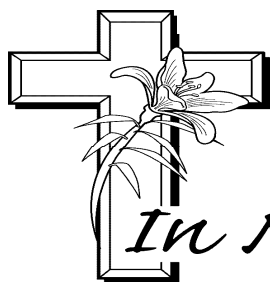

Each one of us is in one way a tenant trusted and well trained to work in the master's vineyard; in another way we are the vineyard, so much loved, so much cared for, expected to yield fruits of faith and love.

We are just stewards of God's gifts; we should always aim for excellence, the peace of God which surpasses all understanding is with us.

Fr. Cletus

FR. LUDESCHER LAMP will burn this week in prayer for Kathy Birkey

We ask your prayers for the repose of the soul of Bernard Tschida and for the consolation of his family.

In Memoriam

PRINCIPAL'S CORNER

Hello St. Jerome Parishioners,

Thank you for your continued prayers and support for our school. We are 101 students strong, plus 28 in the Faithful + Beginnings Preschool.

Rake-A-Thon and our St. Jerome School Annual Fund Drive are underway. Please support our school children if they ask for a pledge. Please let Joanne Lamb know (651-771-1209) if you'd like your lawn raked (and you are in walking distance of school). In our first week we raised \$1900 toward our \$11,000 goal. You may wonder How does St. Jerome School use Rake-a-Thon and Annual Fund money?

Here's a list of some of the ways your generous donations help our school:

- Tuition assistance: About 1/2 of our school families receive some amount of tuition assistance. Providing this assistance enables families to choose a Catholic education for their children.
Classroom Curriculum, Supplies and Field Trips: Some of the most memorable learning experiences do not come from a textbook. Rather, they are hands-on and experiential. The activities that make learning fun and meaningful are provided from funds raised beyond our operating expenses.
Technology: We have many tech resources and we are committed to keeping our tech capabilities up to date so children are learning to be smart, savvy and capable global citizens.

All of us, as parishioners, are building our Catholic church with our support for the school. We are grateful for your prayers and your support. Please call me if you want to help with tutoring a student or coach our Math Masters team.

Gratefully,

Anne Gattman, Principal

eBay SELLER NEEDED

We have approximately 35 collector plates what we think could bring in some extra cash for the parish if sold on eBay. The parish is looking for someone that has an eBay account that would be willing to take charge of the listing, selling and shipping of these plates. You can either donate your time or keep a negotiable portion of the proceeds in payment for your time spent on this project. If interested call the parish office 651-771-2109
