**“If two of you agree on earth about anything for which they are to pray, it shall be granted to them by my heavenly Father.”**  
 — Matthew 18:19

**WE NEED ONE ANOTHER**

The Church being a community based on love, each member has responsibilities towards other members. You are like a debtor to your

neighbor since you owe him love and it is in the name of love that fraternal correction is a must. This way, Ezekiel sees in a prophet a God's appointee to watch over brothers and sisters, ready to warn them when they stray away from God.

It is like a favor from Jesus Christ allowing us to act in His name since Himself is always present among those gathered in His name; in trying to correct our brothers and sisters, we can count on other Church members for support since it is for the benefit of the community.

Fraternal correction will never be an easy task: we will always need courage, patience, discretion, respect and prayers. We need to have in mind that we are all sinners and that we might face misunderstanding; that is why humility and tact are needed from us.

Fr. Cletus
